

99B.10B Revocation of registration — electrical and mechanical amusement devices — suspension of liquor license or beer permit.

1. The department may deny, suspend, or revoke a registration issued pursuant to section 99B.10 or 99B.10A, if the department finds that an applicant, registrant, or an agent of a registrant violated or permitted a violation of a provision of section 99B.10, 99B.10A, or 99B.10C, or a departmental rule adopted pursuant to chapter 17A, or for any other cause for which the director of the department would be or would have been justified in refusing to issue a registration, or upon the conviction of a person of a violation of this chapter or a rule adopted under this chapter which occurred on the premises where the registered amusement device is or is to be located. However, the denial, suspension, or revocation of a registration for one amusement device does not require, but may result in, the denial, suspension, or revocation of the registration for a different amusement device held by the same distributor or owner.

2. a. The department shall revoke a registration issued pursuant to section 99B.10 or 99B.10A, for a period of ten years if a person commits an offense of awarding a cash prize in violation of section 99B.10, subsection 1, paragraph “b”, pursuant to rules adopted by the department. A person whose registration is revoked under this subsection who is a person for which a class “A”, class “B”, class “C”, special class “C”, or class “D” liquor control license has been issued pursuant to chapter 123 shall have the person’s liquor control license suspended for a period of fourteen days in the same manner as provided in section 123.50, subsection 3, paragraph “a”. A person whose registration is revoked under this subsection who is a person for which only a class “B” or class “C” beer permit has been issued pursuant to chapter 123 shall have the person’s class “B” or class “C” beer permit suspended for a period of fourteen days in the same manner as provided in section 123.50, subsection 3, paragraph “a”.

b. If a person owning or employed by an establishment having a class “A”, class “B”, class “C”, special class “C”, or class “D” liquor control license issued pursuant to chapter 123 commits an offense of awarding a cash prize in violation of section 99B.10, subsection 1, paragraph “b”, pursuant to rules adopted by the department, the liquor control license of the establishment shall be suspended for a period of fourteen days in the same manner as provided in section 123.50, subsection 3, paragraph “a”. If a person owning or employed by an establishment having a class “B” or class “C” beer permit issued pursuant to chapter 123 awards a cash prize in violation of section 99B.10, subsection 1, paragraph “b”, pursuant to rules adopted by the department, the beer permit of the establishment shall be suspended for a period of fourteen days in the same manner as provided in section 123.50, subsection 3, paragraph “a”.

3. a. The process for denial, suspension, or revocation of a registration issued pursuant to section 99B.10 or 99B.10A, shall commence by delivering to the applicant or registrant by certified mail, return receipt requested, or by personal service a notice setting forth the proposed action and the particular reasons for such action.

b. (1) If a written request for a hearing is not received within thirty days after the mailing or service of the notice, the denial, suspension, or revocation of a registration shall become effective pending a final determination by the department. The proposed action in the notice may be affirmed, modified, or set aside by the department in a written decision.

(2) If a request for a hearing is timely received by the department, the applicant or registrant shall be given an opportunity for a prompt and fair hearing before the department and the denial, suspension, or revocation shall be deemed suspended until the department makes a final determination. However, the director of the department may suspend a registration prior to a hearing if the director finds that the public integrity of the registered activity is compromised or there is a risk to public health, safety, or welfare. In addition, at any time during or prior to the hearing, the department may rescind the notice of the denial, suspension, or revocation upon being satisfied that the reasons for the denial, suspension, or revocation have been or will be removed. On the basis of any such hearing, the proposed action in the notice may be affirmed, modified, or set aside by the department in a written decision. The procedure governing hearings authorized by this paragraph shall be in accordance with the rules promulgated by the department and chapter 17A.

c. A copy of the final decision of the department shall be sent by certified mail, return

receipt requested, or served personally upon the applicant or registrant. The applicant or registrant may seek judicial review in accordance with the terms of the Iowa administrative procedure Act, chapter 17A.

d. If the department finds cause for denial of a registration issued pursuant to section 99B.10 or 99B.10A, the applicant shall not reapply for the same registration for a period of two years. If the department finds cause for a suspension or revocation, the registration shall be suspended or revoked for a period not to exceed two years.
